

Meet Mr. Frank!

Mr. Frank lives on the west side of San Antonio. He has lived in the home since 1998. The house was originally his grandmother's. He enjoys many family gatherings with

his 70+ grandchildren and great-grandchildren. They get together for birthdays, graduations, and all holidays to celebrate together!

Over the years, Mr. Frank has made many improvements to the house. Only recently things have gone beyond his abilities now that he is in his sixties. He wants to stay in his home, and it's frustrating to him that he cannot do the needed repairs himself.

This summer, Blueprint was able to completely replace his roof with the help of our awesome Summer Campers! Not only were they able to help bless Mr. Frank with a new roof, but they were able to build relationships and memories that will last a lifetime!

"Frank is amazing! We had a mutual love and respect for each other. Our motto for the week was "For Frank!" - Camper

"Frank was so warm and welcoming. He came out a lot to visit with us and supplied cold water bottles throughout the week." - Camper

Thank You Summer Interns!

Each one of you made an amazing impact on this ministry and we appreciate all that you did this summer. We pray blessings over each one of you!
