

Blueprint Building Rules:

1. Showers are only to be taken during the period from when you return from the worksite until dinner, usually 4:30pm-6:30pm. No Sunday or morning showers.
2. The Blueprint kitchen, offices or staff dorm rooms are not to be entered without explicit permission from a Blueprint staff member.
3. Cell phones may be brought to Blueprint, but students cannot take them to worksites or use them at any other time than free time. Other personal electronics are not permitted.
4. Food and/or drink (except water in a container with a lid) is not allowed upstairs in game or dorm rooms.
5. No boys are allowed on the third floor or any female dormitory or bathroom; no girls are allowed to enter into any boy's dormitory or bathroom.
6. Furniture or bedding is not to be moved and general acts of horseplay are not allowed.
7. Do not walk off Blueprint property at any time. If a ball needs to be retrieved, please ask a Blueprint staff member to get it.
8. Adult leaders should inform a Blueprint staff member if they are leaving the camp ground outside of the designated free time.
9. No drugs, alcohol, tobacco or e-cigarettes are allowed at any time during camp.
10. Blueprint is not responsible for lost or stolen items.
11. No PDA allowed at anytime.

Dress Code

1. Students must be dressed at all times, except while showering.
2. We ask that every participant wear finger tip length shorts at all times.
3. No spaghetti straps, tank tops, cut offs or off the shoulder shirts at anytime, either at the worksite or at the building.
4. Footwear is necessary at all times.
5. Pajamas are to be worn in dorm rooms only and students should not leave their dorm in pajamas.

Worksite Rules:

1. Proper attire is required: refer to Blueprint dress code.
2. Students are not allowed to leave the job site without an adult leader.
3. Do not engage in horseplay while on a worksite; respect should be shown to homeowner and house.
4. All tools should be stored and locked properly when leaving the worksite at any time.
5. Personal protection gear (eye protection, gloves, masks) is required when doing jobs that require these items.
6. Students are not allowed to have cell phones on the job site.
7. Music may be played on the worksite; however, we ask that this music be wholesome, uplifting and not explicit.
8. Any lunch boxes should be dropped off at the kitchen passthrough window and water jugs should be returned to the outdoor water station.
9. Each team must have a first aid kit on site.
10. There should be two adults for every 6-8 students, one adult being 25 years or older.
11. No student is allowed to use a power tool without a properly completed Power Tool Permission Form.

Discipline and Security:

Adults are expected to oversee their youth. The Blueprint staff is excited to facilitate your mission experience with the following items:

1. Enforcing lights out
2. Waking up students in time for breakfast
3. Oversee work crew with daily chores
4. Help with general supervision for safety, promptness, security, etc
5. Be encouraging and positive
